

Over the summer...

Over the summer there are many things you can do with your child to help insure the best possible third grade experience.

- Read, read, read
- Discuss the "who, what, where, when, and why" of books and events
- Visit libraries, bookstores, museums, historic sites, etc.
- Limit TV, videos, movies, and even computer games
- Review math facts with games, flashcards, mental math, addition and subtraction quizzes
- Keep summer journals, travel logs, write stories together to record feelings, ideas, etc.
- Play games that require physical exercise
- Allow time to daydream and use imagination
- Cook meals, do projects, and discuss math and reading used in daily life
- Eat meals together and talk

WELCOME TO 3rd GRADE

Enchanted Hills Elementary School
Rio Rancho, NM

Home of the Mustangs

Web Site: www.rtps.net

Third grade is an exciting time of change! We try to instill in the children a sense of responsibility for their own learning. The following are crucial skills to be developed in third grade:

- Quality of work
- Completing and turning in work in a timely manner

Third Grade Expectations

Literacy:

- Reading for comprehension and becoming familiar with various reading categories such as mystery, poetry, science fiction, biography, as well as culturally diverse selections with an emphasis on non-fiction reading
- Independent (silent) and oral reading
- Listening and responding to various readings
- The writing process of prewriting, drafting, revising, editing, and final copy
- Spelling, punctuation, parts of speech, correct language usage, and language expression
- Paragraphs organized around a topic sentence and main idea
- The five elements of fiction which are setting, plot, theme, character, and conflict.

Math:

- Regrouping with 4 and 5 digits
- Multiplication and division fact families
- Understanding of fractions
- Math patterns and formulas
- Graphing
- Geometry
- Time (analog clock), money and measurement

Social Studies

- Mapping skills
- Geography
- Communities around the world
- Introduction to basic US history

Science

- Plant Growth and Development
- Changes
- Land and Water

Homework:

- 30 minutes per night Monday through Thursday
- Work is due the next day
- 20 minutes of reading 5 nights per week
- Daily planners purchased from school to record assignments

Assessments Used

- Observation
